Town Warrant

To the Inhabitants of the Town of Tuftonboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town House in said Tuftonboro on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Eighty-one thousand, seven hundred fifty dollars (\$81,750.) as approved by the Budget Committee.
3. To see if the Town will vote to raise and appropriate the sum of eight hundred forty-two dollars and fifty cents (\$842.50) for Town Road Aid as approved by the Budget Committee, the State to contribute the sum of five thousand, six hundred sixteen dollars and sixty-four cents (\$5,616.64).
4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the collection of taxes for the current year, and issue notes therefor, said notes to be repaid during the current municipal year.
5. To see if the Town will vote to authorize the Selectmen to borrow money to pay upon delivery for the new Fire Apparatus and Equipment, and issue notes therefor, said notes to be repaid from taxes over a three municipal year period.
6. To see if the Town will vote to appropriate the sum of one thousand, two hundred eighty-eight dollars (\$1,288.) as the Town's share for the studies and operation of the Lakes Region Planning Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes. By Petition. Not approved by the Budget Committee.

7. To see if the Town will vote, in the interest of economy to reduce the number of pages in the Annual Report by summarizing the statements therein of Receipts and Expenditures, rather than detailing each item.

8. To see if the Town will vote to discontinue the listing in the Annual Report of the individual property valuations, and, instead, publish them every fifth year (or every third year). The valuations are maintained in the Selectmen's office, and are available to interested parties.

9. To see if the Town will vote to appropriate the sum of five hundred thirty dollars and ninety-three cents (\$530.93) for the Lakes Region Association. Not approved by the Budget Committee.

10. To see if the Town will vote to appropriate the sum of five hundred dollars (\$500.) for the Town Conservation Commission. Not approved by the Budget Committee.

11. To see if the Town will vote to require that only phosphate free laundry products may be offered for sale in the Town of Tuftonboro after June 1, 1971.

12. To transact any other business which may legally come before the meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and seventy-one.

AUDITORS' CERTIFICATE

We have examined the accounts of the various Town officers as at December 31, 1970. Our examination was made in accordance with the auditing standards as prescribed by the State Tax Commission, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statements herein present fairly the results of the operations of the Town officers for the year 1970.

TUFTONBORO LIBRARY BUILDING COMMITTEE

In the fall of 1969 the Building Committee decided to start the construction of the library by pouring a foundation and backfilling it, and packing it with hay to stand the heavy frosts of this region. This was done so that a contract could be awarded early in the spring of 1970.

On April 16, 1970 a contract for building the library was awarded to Smith Construction Company. It was necessary to keep the costs within the limits we believed we could collect and so it was necessary to deduct the items listed below:

Contract Proposal	\$ 33,690.00
Deduct 1. Installation of book cases (done by Schaier and Hume)	800.00
2. Painting done by (Hume, MacMillan, Schaier and others)	1,600.00
3. Ceramic tile in toilet	175.00
4. Wiring under concrete slab	350.00
	<hr/>
Contract award, Smith Construction Co., April 16, 1970	\$ 30,765.00

Work on this contract started early in July and on August 27, 1970, the corner stone was laid with appropriate records placed within.

Work continued well with the contractor substantially completing his work by November so that the inside painting could be completed by the end of November. Book cases were delivered on November 30, and installed in the next two days. We installed about three-fourths of the number the library is designed for, however, it will be enough for the books on hand presently.

December 2, 1970 was moving day and with the help of many of our local citizens the move from the Grange Hall was completed in about seven hours, and the next few days were busy ones sorting and arranging books.

The library was officially opened on December 12, 1970, dedicating a plaque honoring Hazel K. MacMillan given by her family and dedicating a librarian's desk as a memorial to Captain Steven Wayne Martin, U.S.M.C. and finally a key to the library was given to the Chairman of the Board of Selectmen. Milton E. Hodges.

There is more work to be done in the Spring including completion of the septic system, a water line from the pump in the building to the well, more grading and another coat of paint on the outside of the building. We also have the gift of a beautiful cupola and weather vane to install in the Spring. Very recently, we received a gift of a fifteen-drawer file as a memorial to Bradford Charles Drowne.

AUDITORS' CERTIFICATE

This is to certify that we have examined the accounts of the Tuftonboro Library as at December 3, 1970 and found them correct and properly vouched for.

ALBERT H. DOW, JR.
JOHN J. DAVIS

Forest Fire Warden & District Chief

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning,

garden trash as well as brush burning (such burning is restricted by regulation to be PRIOR to 9:00 A.M. and AFTER 5:00 P.M.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

Exceptions

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Remember! Only You and I Can Prevent Forest Fires

Fires reported — STATE	484 fires — 244 acres
DISTRICT	46 fires — 16 acres
(Tuftonboro) TOWN	2 fires — 1½ acres

Conservation Commission

During the year 1970, the Tuftonboro Conservation Commission has made some progress researching the town's rights-of-way to open bodies of water and the town-owned land in the great meadow area, but not as much as we had hoped for. This was due mostly to the work load of the surveyor hired for these projects. However, we are continuing on these projects as rapidly

as possible.

We plan to continue subscribing to the National Wildlife Federation's children's nature magazine for all members of the Tuftonboro Central School's fourth grade, and the new library will also be added to that subscription.

This year the Board of Selectmen appointed two additional members to the Tuftonboro Conservation Commission, Ted Bense, and Gordon Thayer, both of Mirror Lake.

We wish to remind the townspeople that all funds appropriated for the conservation fund are carryover funds and if not used in the year appropriated, will continue to accumulate, so that in the event of an emergency need, they will be available without the necessity of a special town meeting.

Again, we welcome all constructive criticism and ask you to be watchful for any detrimental encroachment upon our town's environment.

Respectfully submitted,

JAMES H. S. DUNCAN,

Chairman

Planning Board

After one year without a Planning Board, planning was again authorized at the 1970 town meeting. Within a month the Selectmen had appointed seven men to serve as Tuftonboro's second Planning Board. The first meeting was held on the eleventh of April.

The first few months of operation were devoted to study of state planning and zoning regulations and of work that other towns had done in planning. On the 22nd of May the Board held its first meeting with citizens and property owners so that we on

the Board might know the ideas of interested persons on planning and zoning. The next month the Board met with two experienced members of the Wolfeboro Planning Board to learn the practical side of planning at the town level. With such preparation we felt prepared to make a start on the big job ahead.

Our original look into the idea of zoning before all else did show that zoning could provide stability, that is maintaining the Town as it is, but doubts existed as to how quickly zoning could be put into effect. Therefore, the Board, beginning in August, began to make up Subdivision Regulations. We then commenced arrangements for a special town meeting to give the Board authority to adopt such regulations for the Town. Hearings in December and February have assisted the Board in putting the Subdivision Regulations into shape for adoption shortly.

Respectfully submitted,

Chairman

Public Health Nursing Committee

In the past three years our service has been greatly expanded to cover Alton, Tuftonboro, Wakefield, Brookfield as well as Wolfeboro. No patient is refused care because of financial stress. Therefore our drive for funds each year is very important, as well as the funds voted for at Town Meetings, as like every one, we have felt the pinch of economy.

We certainly wouldn't want our elderly or ill people to go without the necessary care to make them comfortable. Many times it could save the towns money because with the nurse's visit it could

keep the patients home rather than sending them to the hospital.

The nurse is the guide and moral support to the family at the time most needed as well as caring for the patient. The total number of visits made from January 1 to November 30, 1970 were 1742. It is important that we work hard to keep this service as the patients need it.

On November 13th Mrs. Davena DeWolf left us to join the Wakefield School District as school nurse in Wakefield. It was with mixed feelings that we let her go as she was loved by every one. We have worked out a temporary arrangement for her to cover Wakefield and Brookfield on an hourly basis for the winter months to save us time and expenses. We were very fortunate to obtain Mrs. Diane Comeau, R.N. of Alton Bay who wanted to work part-time. With our increased case load it also became necessary to have our secretary full-time.

Clinics have been held in Wakefield, Wolfeboro and Alton this year. Several of the Nursing Committee members and the nurses have attended professional and educational meetings at Crotched Mountain, U.N.H. and Concord.

I wish to thank John Waters and the hospital staff for their help and co-operation. Our doctors have been most willing to help and we hope we have been of help to them.

We, the people of Wolfeboro, should be very proud of our Public Health Nursing Service.

Respectfully submitted,

DOROTHY T. WILLEY
